RABBIT SCHOOL GUARDIANS OF THE GOLDEN EGG

Rabbits against foxes - what an uneven battle! Until a city rabbit joins the famous rabbit school where time stood still, and legend meets street credibility ...

Max, a cheeky city rabbit, winds up in an Easter rabbit school where time seems to have stood still. Thanks to training lessons from mysterious Madame Hermione and with the help of cute rabbit girl Emmi, he not only learns about the secret techniques of Easter bunnies but even more about himself when they have to fight a clever fox family that has been scheming to take over Easter.
